## About TP Group Of Institutions

As we reflect on the journey of the TP Group of Institutions, it unfolds like a captivating tale of educational evolution. In 2007, our voyage began with the establishment of educational entities in both the vibrant land of India and the Kingdom of Saudi Arabia (KSA). Sprouting from a modest school in Dammam, our narrative swiftly blossomed over a brief five-year span, resulting in the development of a network proudly encompassing three schools in KSA and two in India.

A pivotal moment in our institutional trajectory occurred in 2013, marking the establishment of two additional schools in India. These educational bastions have rapidly evolved into dynamic centres dedicated to providing a premium educational experience for the contemporary intellects of today.

Welcome to the cradle of enlightenment, where education transcends the ordinary and becomes an extraordinary journey towards brilliance.

# OUR ACHIEVEMENTS

**The Zeal International School**, Mattanur, the only CBSE school that was renamed, is proud to have its naming ceremony under the auspices of Sri Shashi Tharoor in 2023..

Over the last 7 years, we have achieved a remarkable feat, with a consistent 100% excellent result in the CBSE Board exams every year, clearly indicating our dedication to academic excellence. Zeal has been the exam centre for NEET Exam and the SAFAL Exam also.

**Zero to Infinity** was the title of our Annual School Day programme, and was unique not only in its theme conceptualisation, but also because of the participation of all the students (100%) of the school !

Our students have participated in the various events in the Kannur **Sahodaya Arts fest**, bagging as many as 17 A grades ( PPT, Extempore , Anchoring, Recitation ) and have been selected for state-level competitions also. Aaliya of grade IX (Hindi Versification) and Muhammed AP of grade VII (Light Music) Rasin Afsal and Himanshu of Grade VI teamed up to stand second in the district-level quiz competition organised by the H & C Publishers.

ZEALIANS are not only proficient in academics; Muhammed Aalim of Grade VII harvested 3 gold medals for the 100m, 200m and 400m running races, and Afra of Grade IX bagged her gold medals in the high jump, in **Sahodaya Sports competitions**, and in district sports also. A rigorous sports camp is being conducted at school to identify such latent talents and showcase them.

The latest feather in our cap is that The Zeal International School is the first **VEDHIK E-SCHOOL** in Malabar region. Having joined hands with VEDHIK Academy in moulding the future global citizens

**Zeal Help Zest** is a special venture - an activity by the Zeal Kids ( Zeal Snack Zone ) and the foundation classes of Grades I & II (Zeal Kiddies Market).
